GOVERNMENT OF INDIA
POWER
LOK SABHA

UNSTARRED QUESTION NO:1542
ANSWERED ON:02.12.2005
DABHOL POWER PROJECT
Patil Shri Balasaheb Vikhe

Will the Minister of POWER be pleased to state:

(a) whether National Thermal Power Corporation has singed or likely to sign agreements with State Government of Maharashtra in respect of power projects;

(b) if so, the details thereof;

(c) whether NTPC will also pay a vital role in the Dabhol Power Project to ensure its completion; and

(d) if so, the detailed terms and conditions of NTPC and DPC?

Answer

THE MINISTER OF POWER (SHRI P.M. SAYEED)

(a) & (b) : National Thermal Power Corporation (NTPC) has already signed the Bulk Power Supply Agreement (BPSA) and Power Purchase Agreements (PPAs) with states for power supply from its existing power stations (already commissioned). The details is enclosed at Annexure-I. Status of signing of PPA for various ongoing and new projects of NTPC is enclosed at Annexure-II.

In future also, NTPC would continue to sell power to various beneficiaries and sign Power Purchase Agreements for this purpose.

(c) & (d) : Union Cabinet constituted an Empowered Group of Ministers (EGOM) to consider and decide all issues related to Dabhol Power Project. The restructuring framework approved by EGOM inter alia included setting up of a `project SPV` having equity contribution of Rs.500 crore each from NTPC, Gas Authority of India Ltd. (GAIL) and Indian Financial Institutions (IFIs) to acquire the assets of Dabhol Power Company (DPC), free of all encumbrances and past liabilities through the Debt Recovery Tribunal (DRT)/Court process. Accordingly, a new Company, Ratnagiri Gas and Power Private Ltd. (RGPPL) was incorporated on 8th July, 2005 under the Companies Act, 1956 with NTPC and GAIL as promoters.

Detailed terms and conditions for acquiring the Dabhol Project assets were mutually agreed between RGPPL, DPC, Indian Lenders to DPC and other related parties and were filed in the Hon`ble High Court of Judicature at Mumbai in the Consent Petition on 22nd of September, 2005. On the same day the Hon`ble Court passed its Order for the transfer of assets of DPC to RGPPL. Thus RGPPL, currently having equity contribution of Rs.500 crore each from NTPC, GAIL, IFIs and non-cash equity of Rs.265 crore of MSEB Holding Company owns the Project and is responsible for its completion. NTPC`s role in RGPPL is limited to its rights and obligations as one of its shareholder. In addition, NTPC, through its consultancy division, is also providing its expert technical services for early commissioning of the power plant as required by RGPPL on commercial basis.

ANNEXURE-I

ANNEXURE REFERRED TO IN REPLY TO PARTS (a) & (b) OF UNSTARRED QUESTION NO.1542 TO BE ANSWERED IN THE LOK SABHA ON 02.12.2005.
